

Busy, Fun, Exhausting!

It's been a busy few weeks since we left Papua New Guinea to begin our furlough. We've slept in 12 different places and had adventures with 41 friends and family members. You can see here some of the many modes of transport that we've ridden on or visited. Look out too for the snow we played in and the Roman ruins that we visited.

This photo was taken (by Karen Weaver) at the Kandawo New Testament dedication. The Audible being listened to is similar to one that we've brought on furlough; our children are enjoying demonstrating it!

One Kandawo woman made the following comments after obtaining an Audible and playing it for her family:

"Before I got the Audible I felt like a pig that was tied to a stick. But now I feel like I've been freed."

"Now in the family we respect each other...No more criticizing or stealing from others."

"You've given something tremendous! I'm ecstatic!. I take it to bed with me and leave it playing on my chest while I fall asleep. I had no idea how Jesus died but I am amazed at Jesus. And this revelation makes me cry. It's been revolutionary in my life!"

PRAISE GOD:

- For changing lives amongst the Kandawo people of PNG.
- For allowing us to play a part in Bible Translation in PNG over the last 15 years (or 12 years, in Clare's case), and for the many people (including YOU!) who have been supporting us in various ways during this time.

PLEASE PRAY:

- Clare needs to apply for a US visa in time for our arrival in the USA on 10 August. Please pray that this process would go smoothly and for wisdom in knowing exactly what kind of application to make.
- We are needing more people to partner with us by praying and/or giving a regular financial gift (whether big or small) towards our Wycliffe budget. We need to have raised 100% of our budget before we can return to PNG next year.

With gratitude,
Clare, Andrew, Levi, Heidi and Eowyn
